Regulation for Protection of Intellectual Property Rights during Exhibition

Aiming at protecting the intellectual property rights (the "IPR") including patent, trademark, copyright etc. during Exhibition, this regulation (the "Regulation") is formulated in accordance with the Measures for Protection of Intellectual Property Rights during Exhibitions jointly promulgated by Ministry of Commerce, State Administration of Industry and Commerce, State Copyright Bureau and State Intellectual Property Office on March 1, 2006.

In order to protect the IPR and to promote the healthy development of the exhibition (the "Exhibition"), the Exhibition sponsor will invite the officers from local Intellectual Property Office (for infringement of patent, Bureau of Copyright (for infringement of copyright) and Administration of Industry and Commerce (for infringement of trademark) and lawyers specialized in IPR protection to compose the Complaint Review Panel (the "CRP"). The CRP will be responsible for consultancy service related to IPR, and reviewing the IPR disputes happened during the Exhibition in accordance with the laws and regulations in respect of IPR.

Acceptance of Complaint

If the exhibitor deems that the products exhibited (the "Exhibits") by any other exhibitor infringe its patent, trademark or copyrights, it may file complaint with the CRP and shall submit to CRP and be liable for the following materials:

- 1. A legitimate and effective certificate of the ownership of intellectual property rights: where any patent is involved therein, the patent certificate, the text of patent announcement, the credential of the patent owner, the certification on the legal status of the patent shall be submitted; where any trademark is involved therein, the certification documents of trademark registration shall be submitted, which shall be confirmed by the complaints by affixing a seal, and the credential of the trademark owner shall be submitted as well; where any copyright is involved therein, the certification of copyright and the credential of the copyright owner shall be submitted. (Documents evidencing patent-related rights, including patent specification of invention and utility model, or pictures and photographs of design, which are made public by State Intellectual Property Office of P.R.C; search reports of existing patent law or the counterpart of patent registry etc.)
- 2. The name of Exhibits in question, name and booth number of respondent;
- 3. Copy of business license of complainant, if the complainant is not the IPR holder, the complainant shall provide a copy of license agreement in respect of such IPR;
- 4. Evidence and cause against the infringement;
- 5. If the complaint is raised by attorney of exhibitor, the Power of Attorney shall be submitted; and
- 6. Any other materials the CRP may require.

The complainant shall warrant that all the materials are authentic and effective, and shall indemnify the respondent, and be liable for any loss and damage resulting from the unauthentic complaint materials or any other unfaithful complaint.

If any of the following occurs, the CRP shall not accept the complaint:

- 6. Where a complainant or claimant has filed a litigation of infringement on trademark with the people's court;
- 7. Where any right to the exclusive use of trademark has been invalidated or cancelled.
- 8. Any other circumstances that CRP deems inappropriate to accept a complaint.

Subsequent to the receipt of complaint materials required, the CRP shall notify the respondent and request it to response within in half or one day. The respondent declining the complaint shall submit the relevant evidences; otherwise, it shall promptly withdraw the Exhibits in question and never re-exhibit the same.

If the respondent does not submit the relevant evidences, or the materials submitted cannot prove that it does not infringe any IPR, nor does the respondent withdraw the Exhibits in question, the CRP shall have the right to request the respondent to: 1) suspend the display of such Exhibits; 2) destroy and suspend distribution of advertising material of such Exhibits; and 3) to remove the exhibiting board of such Exhibits. If the respondent objects to the aforementioned measures, the CRP may send complaint materials and relevant information to the competent administration of IPR for handling in accordance with the law.

Subsequent to the end of exhibition, the complainant shall resolve such IPR dispute through the court or administration of IPR; otherwise, the CRP will not accept the complaint with respect to the same Exhibits in the exhibitions thereafter.
