PERFORMANCE.

FUNCTION.

FUTURE.

part of

**TEXPERTISE**  
the textile business network

Favoured by multitudes of industry players, **Cinte Techtexil China** is a renowned **international trade platform** for the technical textiles and nonwovens sectors, effectively connecting exhibitors with the **extensive Chinese and Asian markets**.

In 2025, showcase in the **European Zone** to strengthen your brand identity, connect with clients and gain new business amid positive market sentiment.

## Exhibit in the European Zone to benefit from:

**Prime location:** adjacent to the main entrance, and one of the focal points of the International Hall.

**Value-added services:** well-equipped standard booth, invitation letter for visa application and extensive marketing support (pre-show promotion to the show's vast database, direct business matching, and more).

**Prestigious collective image:** zone-specific booth designs to amplify Europe's (and your business's) reputation in the technical textiles, nonwovens and equipment sectors.

## 2024 exhibiting countries

## 2024 exhibitor's testimonial

"We've been exhibiting at Cinte Techtexil China for 10 years, and it's a highly professional fair that helps us meet more domestic and international customers. The Chinese market is getting better and we see recovery from our customers' side, therefore we are confident the business will grow again."

**Mr Frank Winkes, VP Business Segment PMC, Perlon-Monofil, Germany**
