China International Trade Fair for Technical
Textiles and Nonwovens

**Engage with your
desired audience in
the Textile Chemicals
and Dyes Zone**

techtextilchina.com

Promote your products in our dedicated zone for effective exposure

The global demand for textile chemicals and dyes is on the rise, fuelled by ongoing urbanisation and innovation. Featuring 12 key application areas with diverse exhibitors and buyers, **Cinte Techtextil China** is a premier platform to expand your business network.

This September, highlight your brand in the **Textile Chemicals and Dyes Zone**, designed to attract your target audience, drive engagement and expand your marketing reach!

Leverage the zone's advantages

Effective connections

- Attract a **targeted audience** with potential for collaboration
- Develop strategic partnerships with **exhibitors and visitors** across **various applications**

Maximised brand visibility

- Increased footfall in a **prime location** near the entrance
- Leverage the zone's **pre-show promotion**
- Strengthen **brand image**

On-stage presentation

- Share your product and brand details to **boost awareness and drive engagement**

Dedicated display area

- Gain visibility beyond your booth by showcasing key products at an **additional display area**

Product range

Additives for chemical recycling, fibre production, finishing & coating, pre-treatment, weaving & knitting preparation; chemical dyes and pigments; and more.
