**Meet onsite or meet online: Cinte Techtexsil's new online business matching service is already live, allowing suppliers and buyers to connect before this week's fair in Shanghai. Along with this change due to the COVID-19 pandemic is a new Medical and Protective Zone, and a range of hygiene measures onsite to ensure participant safety. The fair runs from 2 – 4 September in halls E1 – E3 of the Shanghai New International Expo Centre.**

For buyers attending the fair in person, they can access the same search platform, and schedule meetings with their chosen exhibitors during the fair.
